## MINISTRY OF COMMERCE

### NOTIFICATIONS

New Delhi, the 22nd July 1966

S.O. 2215.—In exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), and after previous publication as required by rule 11 of the Export (Quality Control and inspection) Rules, 1964, the Central Government hereby,—

- (1) notifies that rubber ice bags shall be subject to inspection prior to export;
- (2) specifies the type of inspection in accordance with the Export of Rubber Ice Bags (Inspection) Rules, 1966 as the type of inspection which would be applied to such rubber ice bags;
- (3) recognises the specifications as set out in Annexure-I to this notification as the standard specification for rubber ice bags;
- (4) prohibits the export, in the course of international trade, of the rubber ice bags unless the same are accompanied by a certificate issued by an agency recognised by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to the effect that the rubber ice bags are export-worthy.

2. Nothing in this notification shall apply to export by land, sea or air of samples of rubber ice bags to prospective buyers.

3. In this notification, "rubber ice bags" shall mean ice bags made from rubber intended for use in hospitals or otherwise.

4. This notification shall come into force on 1st September, 1966.

## ANNEXURE—I

*Specifications for Rubber Ice Bag*

## 1. Construction

- 1.1 The rubber ice bag shall have a plain surface and all joints shall be made before vulcanization, except that the closure may be fitted after vulcanization.
- 1.2 The stopper shall provide a water-tight seal and metal parts, if any, made from a corrosion-resisting material or have, a corrosion-resisting finish.

## 2. Requirements

- 2.1 The shape and the size of the ice bag shall be as specified by the purchaser.
- 2.2 The walls of the ice bag shall at no point have a thickness of less than 0.63 mm.
- 2.3 The vulcanized rubber of the ice bag shall have tensile strength and elongation at break not less than 140 kg/cm<sup>2</sup> and 500 per cent, respectively.
- 2.4 The ice bag shall not show any sign of leakage from any part of the bag when suspended from the neck for 24 hours after filling the bag with water at room temperature and placing the cap in position.

[No. 60(138)Exp. Insp/66.]

**S.O. 2216.**—In exercise of the powers conferred by section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby makes the following rules, namely:—

**1. Short title and commencement.**—(1) These rules may be called the Export of Rubber Ice Bags (Inspection) Rules, 1966.

(2) They shall come into force on 1st September, 1966.

**2. Definition.**—In these rules, 'ice bags' mean ice bags made from rubber intended for use in hospitals or otherwise.

**3. Basis of inspection.**—Inspection of ice bags for export shall be carried out with a view to seeing that the ice bags conform to the specification recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963) or, as the case may be, any other specifications stipulated in the export contract as declared by the exporter or the sample approved by the buyer.

**4. Procedure of inspection.**—(1) An exporter intending to export rubber ice bags shall give intimation in writing of his intention so to do and submit along with such intimation a declaration of the specifications stipulated in the contract relating to such export, to any one of the inspection agencies (hereinafter referred to as the Agency) recognised under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to enable it to carry out the inspection in accordance with rule 3.

(2) In case the specifications stipulated in the export contract are in the form of a sample approved by the buyer, the exporter shall submit accordingly a declaration along with the approved sample and its characteristics to the Agency.

(3) Every intimation and declaration under sub-rule (1) or the sample declared under sub-rule (2) shall be given not less than seven days before the expected date of shipment.

(4) On receipt of the intimation and declaration under sub-rule (3), the Agency shall inspect the consignment of ice bags with a view to seeing that the same conforms to the specification recognised under section 6 of the Export (Quality Control and Inspection) Act, 1963 or, as the case may be, any other specifications stipulated in the export contract or the approved sample.

(5) If after inspection, the Agency is satisfied that the consignment of ice bags to be exported complies with the requirements of rule 3, it shall within seven days of the receipt of the intimation and declaration under sub-rule (3), issue a certificate to the exporter declaring the consignment export-worthy.

5. **Place of inspection.**—Every inspection under these rules shall be carried out either—

- (a) at the premises of the manufacturer of such products, or
- (b) at the premises at which the goods are offered by the exporter provided adequate facilities for the purpose exist therein.

6. **Inspection fee.**—Subject to a minimum of Rs. 25/- for each consignment, a fee at the rate of twenty paise for every one hundred rupees of the f.o.b. value of each such consignment shall be paid as inspection fee under these rules.

7. **Appeal**—(1) Any person aggrieved by the refusal of the Agency to issue a certificate under sub-rule (5) of rule 4 may, within ten days of receipt of communication of such refusal by him, prefer an appeal to a panel of experts consisting of not less than three persons, appointed for the purpose by the Central Government.

(2) The decision of the panel on such appeal shall be final.

[No. 60(138)Exp.Insp/66.]

**S.O. 2217.**—In exercise of the powers conferred by section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby recognises the organisations mentioned in the Schedule annexed hereto as the agencies for inspection of rubber ice bags prior to their export, subject to the condition that every such organisation shall give adequate facilities to an officer of the Export Inspection Council, duly authorised by the Council, to examine the methods of inspection followed by that organisation in granting the certificate under sub-rule (5) of rule 4 of the Export of Rubber Ice Bags (Inspection) Rules, 1966.
